ONLINE SYSTEM TO ASSESS AND CERTIFY BASIC SKILLS

NRS-approved CASAS assessments validated by the US Department of Education and US Department of Labor

DIGITAL LITERACY

Students build basic computer skills while testing!

Get everyone comfortable taking a standardized test with online sample test items.

On-screen tools help students progress through testing with ease.

TIME AND COST SAVINGS

Immediate results!

Fast and accurate placement into programs!

Appropriate-level tests presented automatically.

Teachers can access performance reports to guide instruction.

Locator + pretest = 1 test unit.

OUR SERVICES

CASAS is a nonprofit organization that provides assessments of basic skills for youth and adults and curricular tools to target instruction. CASAS is used by federal and state government agencies, business and industry, community colleges, education and training providers, correctional facilities, and technical programs.

CASAS ®
Quality Assessment and Educational Solutions

GETTING STARTED

TOPSpro Enterprise (TE) is a data accountability software that allows programs to easily access, manage, track, and report program and student outcomes for local, state and federal reporting.

This web-based system also installs a "small client" on local computers (Windows 10 required) for better performance and desktop experience.

Agencies may choose to buy test units in either Basic or Enhanced packages.

DATA ACCOUNTABILITY SOFTWARE TO IMPROVE STUDENT OUTCOMES AND PROGRAM PERFORMANCE

Beneficial for WIOA, Title I and Title II programs

TE BASIC PACKAGE
Supports student-level implementation

Basic Web-test Units (WTUs)
