Literacy Gains – CTE Related Outcomes

Occupational Skills Gain:

- Usually suggests accomplishment of a portion of a longer term program
 - *For example:* a student enrolls in a long term welding program in CTE, which is five semesters/five modules long. The student passes a skills check/written test that indicates the student is ready to finish Module I and enroll in Module II.

Workforce Prep Outcome:

- Usually suggests completion of a shorter term program
 - *For example:* a student enrolls and completes a 15 hour class on job search strategies. The student earns an informal certificate at the end of the class.

- **Supportive Services** can be marked when providing direct personal support to students, or when engaged in interactions that inform the student about community resources that may provide personal assistance.
- **Personal/Finance/Legal Counseling** can directly address a student's personal issues, or simply entail referral information about community resources available for this kind of assistance. Selecting this option suggests that the student interaction focused on his/her personal issues rather than academic or employment services.
- **Supplementary Instructional Services** suggests extra, more personalized instruction such as tutoring, is provided to the student, and accompanies what the student is learning in the classroom.
- **Needs Based Payments/Emergency Financial Services/Federal Cash Assistance.**
 - **Emergency Financial Services** includes general information about ways to respond to personal financial emergencies.
 - **Needs Based Payments** suggests more specific information about local on site or government programs (such as CalWORKS) that provide financial assistance to students.

Services that help individuals:

- Select programs that relate to economic priorities in local planning region
- Enroll/meet minimum qualifications for longer term employment and/or employment training programs

Services administered to individuals who have been determined to:

- Be unlikely to obtain/retain employment
- Be in need of additional services in order to attain economic self-sufficiency/permanent employment
- Have skills sufficient to enroll in appropriate training program that provides skills necessary for self-sufficiency

Training Services – Key Considerations

In general, Training Services is marked when assisting a student who has barriers to qualifying for employment or employment training programs.

Training Services can be marked when providing actual training to students or when engaged in interactions (such as tutoring, counseling, or mentorship) that better inform the student about employment training.

Specific areas of note:

- ***Skill Upgrading*** for short term training that focuses on specific areas of occupational expertise, such as CPR training, phlebotomy, OSHA hand washing.
- ***ABE/ESL in conjunction w/ Training*** for information about local ABE/ESL instruction *that supports students while enrolled* in workforce training (such as local CTE or WIOA I)
- ***Remedial Training*** for more information about local ABE/ESL instruction that *student is required to complete in order to qualify for workforce training*
- ***Prerequisite Training*** for any services that are required prior to enrollment in longer term workforce training

| <input type="checkbox"/> Job Development/Job Search Assistance | <input type="checkbox"/> Postsecondary Academic Education |
| <input type="checkbox"/> Occupational Skills Training (non-OJT) | <input type="checkbox"/> Other Transition Services |

Services that help individuals:

- Facilitate successful transition from school to postsecondary life, such as attaining employment, enrolling in college, or accessing designated pre-employment transition services.
- Provide opportunities to receive training and other services necessary to achieve competitive employment or postsecondary enrollment

Transition Services – Key Considerations

Many of these selections mirror options under Supportive Services and Training Services. In general, mark the Transition Services option when the service is provided to the individual for the purpose of transition to college, employment, or employment training.

- **Assessment/Testing/Counseling** can indicate when a student completes initial testing for placement, but does not return for formal instruction in the classroom, or when student completes any assessment that does not pertain to pre/post-testing for formal AEBG reporting purposes.
- Personal Development Training, Counseling/Career Development, Job Development/Job Search Assistance, and Occupational Skills Training are all intended to help students better prepare for employment.
 - **Personal Development Training** focuses on soft skills necessary to succeed in the workplace and elsewhere.
 - **Counseling/Career Development** focuses on identifying resources and opportunities, and gaining a better understanding of what is needed to enter or progress in a particular occupation.
 - **Job Development/Job Search Assistance** identifies job openings and/or resources for finding jobs.
 - **Occupational Skills Training** focuses on specific skills needed for a job, or identifies additional resources for improving these skills.
- **Work Experience** can document any short term exposure to work, such as a field trip to a local employer, or when providing information about specific conditions/requirements at a specific employer.
- **Postsecondary Academic Education** can document exposure to the postsecondary environment, such as a field trip to a local university, or providing information about requirements for enrollment.
