Description

Virginia (VA) Jump-Start! <u>CASAS eTests® Online</u> **Implementation** focuses on setting up testing sessions to prepare for live test administration, locating results and generating reports with <u>TOPSpro® Enterprise Online</u> to support test administration, link assessment to instruction, and track student, class, and program outcomes for **Capital Region Workforce Partnerships (CRWP) in Virginia**. This session is appropriate for those who have been introduced to the online system and completed related CASAS eTests certifications and agreements. This is an interactive webinar offering both landline and web audio connections.

Audience: This workshop is limited to **Capital Region Workforce Partnership (CRWP)** staff involved with <u>Implementing CASAS eTests Online</u>.

Prerequisites: <u>Coordinator</u> and <u>Proctor</u> Certification; <u>Online Site Agreement</u>; <u>registered</u> <u>computer</u> running Microsoft Windows with <u>.NET Framework 4</u> (or later) and <u>Silverlight 5</u> (or later) plug-ins; and active online user account. If you do not have an active account in the online system, please send a request to the CASAS Technology Support Team at <u>techsupport@casas.org</u>.

Time Commitment: 2 hours.
