“Being able to take the Early Childhood Education course while attending an ESL class has allowed our students to gain technical and language skills necessary for this career.”

Mt. Diablo Adult Education

<https://www.mdusd.org/>

- Currently focuses on two career pathways
 - Introduction to Healthcare Careers (with COAAP 71.1)
 - ESL for Early Childhood Education (with COAAP 70.2)
- MDAE CTEC Allied Health programs lead to five Industry Recognized Certificates, one per program
- College Certificate of Completion and Associate Teacher Permit for Early Childhood Education offered in partnership with Diablo Valley College

Mt. San Jacinto College College and Career Bridge Class

- Customized five-week College and Career Planning class with each of its CTE programs.
- For students in Child Development, Culinary Arts, Digital Communication, Business Communication, Automotive Service Technology, and the Construction Pre-Apprenticeship
- The classes intentionally enroll college students alongside transitioning noncredit adult education students, to create community and shared interest among these blended student groups.

“As the Director of MSJC’s Adult Education Non-Credit department, it is my personal goal to ensure we offer quality programs that support the communities we serve.”

Amy Campbell
Director, Adult Education Department
Mt. San Jacinto College

acampbell@msjc.edu

Website: msjc.edu/adulted/

MSJC Adult Ed knows that every student who enters our program has an immediate short-term goal. We build a community that enables our students to create long term post-secondary, career, and employment plans. Our EL Civics units, intro to career and college and career planning courses build the bridge for success, access, and capacity.

Congratulations to the 2021
Making a Difference in the Community
Award winners!
