

Access to Assessment Materials

WSCS Review

The WSCS is delivered via CASAS eTests. So that the New York State Education Department can examine the entire WSCS, we ask you to contact Dawn Montgomery at CASAS to set up an account. This will allow reviewers full access so they can fully experience and evaluate the system.

Dawn can be reached at dmontgomery@casas.org and 858-292-2900 ext. 126.

WRS Review

To experience and evaluate the WRS portion of the WSCS, the New York State Education Department can paste the following URL into a browser:
