20. **How do I set up a class to have instruction in both Civic Participation and Citizenship Preparation or Civic Participation and Integrated EL Civics (IELCE)?**

If a Civic Participation Class will give instruction in both Citizenship Preparation and Civics Participation or Civic Participation and IELCE, set up 2 classes in TE. Then, in the Focus Area select one for each class:

- Citizenship Preparation (231)
- Civic Participation (231)
- IELCE (243)

For example, an agency has planned a class for intermediate level learners M-Th 9am-12pm This agency wants to teach one 231 funded Citizenship Preparation class and one 231 funded Civic Participation class during the Fall Semester. This can be accomplished in two ways:

Example 1:

- Set up one class from 9-10:30am M-TH designated as 231 funded Citizenship Preparation in TE.
- Then set up another class from 10:30am-12:00pm M-Th and designate this class as 231 funded Civic Participation. Teach the 30 hours of the 231 funded Civic Objective and assess it during that time period in the semester.

Example 2:

- Split the class into two 8–10-week quarters. Set up one class from 9am-12pm M-TH for the first "quarter" designated as 231 funded Citizenship Preparation in TE.
- Then set up another class from 9am-12pm M-TH for the second "quarter" and designate this class as 231 funded Civic Participation in TE. Teach the 231 funded Civic Objective and assess it during this time period in the quarter.

Be sure to mark "ESL/ELL" for Instructional Program.
