

Downloading COAAPs to TOPSpro Enterprise[®]

- 1) In TOPSpro Enterprise[®], go to **Tools > Additional Assessments Import Wizard**.

- 2) Select "Retrieve approved Additional Assessments from CASAS Web site (use Internet)" then click **Next**.

3) Select your Agency and Program Year, then click **Next**.

Connect to the website

Select agency and program year.

TOPSpro Enterprise will start to retrieve the list of approved Additional Assessments for your agency from the CASAS Web site.

Click Next after you fill in the required fields.

Select Agency: 4908 - Rolling Hills Adult School (RHAS) ▼

Select Program Year: ▼

Cancel << Back Next >>

4) Review your approved Additional Assessments, then click **Next**.

Review Additional Assessments list

This is the list of approved Additional Assessments corresponding to your agency and the selected program year.

An assessment is valid if the provided Agency ID matches a corresponding ID in your installation. Only valid Additional Assessments will be imported.

Click Next for the Summary page.
