

Revisions to COAAPS 2020-2021

COAAPS 1-30 and their corresponding Civic objectives and language and literacy objectives have been reviewed and revised when necessary in order to update them, make them more rigorous and related them more closely to the elements of immigrant integration. Many minor revisions were made. Only major revisions are described below. In PY 20-21, COAAPS 31-53 will be revised in the same manner.

Below is the list of Civic Objectives and Additional Assessment Plans (COAAPS) that describes the revisions made to 2019-20 COAAPS for the 2020-21 program year.

Revisions that change the nature of the COAAP, for example, by revising a passing score, are in bold. These revisions must be made by all agencies for the 2020-21 program year.

New COAAPS are also in bold. Changes made during 2020-21 are listed in green.

If dash (-) is listed, COAAPS were reviewed but no or only minor language changes were made.

Note that all Civic Objectives are Section 231 funded. Those marked with a † are also 243 funded.
