Network Discussion Topics (1): Implementing New CASAS Test Series

- ***For PY 2023-24:*** do you plan to start administering the new CASAS STEPS for ESL – or will you be continuing with Life and Work tests for one more year?
- What are the advantages of “out with the old/in with the new” – that is, moving forward with STEPS right away? What new features of STEPS may be most beneficial at your agency? Are there any advantages with continuing with the old Life and Work series?

Network Discussion Topics (2): Implementing New CASAS Test Series

- What are some differences you have noticed between the Reading and Listening STEPS vs Life and Work test forms? What new features of STEPS may be beneficial?
- Differences between Math GOALS 2 and the older math test forms? Any features of Math GOALS 2 that have helped?
- Are there differences that might change the way you implement CASAS pre/post for your students?
- Are there differences that may change how you use assessment to inform instruction?

Network Discussion Topics (3): Collaboration with WIOA Partners

- Collaboration at the state and local level is a requirement of WIOA legislation.
- What is the current state of your WIOA partnership in your region? Do you communicate regularly with your Title I partner? Any contact with Title III or Title IV?
- What are your regional priorities? Any specific examples where you work with your partners to achieve a mutual goal?
- Do you share students/clients with partners? Do you refer or receive students?

Network Discussion Topics (4): “Minding the Gaps”

- Student “Persistence” continues to be a top state and federal level priority.
- How do you define persistence at your agency? Do you put more focus on student attendance, pre/post-testing, or both?
- Whether attendance or pre/post... how well do you do?
- What strategies does your agency have in place for managing attendance hours? What plan does your agency employ to obtain more pre- and post-test pairs?
- Can you think of any solutions at the state level that would help agencies retain students that attain 12 or more hours of instruction, and a pre/post-test pair?
