# PROMISING PRACTICE AWARD

Five Keys' success with the Collaboration and Co-location  
of Classroom Sites with Partner Facilities

Promising  
Practice  
Award

2023

# Collaboration and Co-location of Classroom Sites within Partner Facilities

Five Keys' model of partnership and collaboration promotes leveraged resources and reciprocal referrals. Our instructors are embedded within workforce and social service agencies, community-based organizations, residential recovery centers, probation day reporting centers, and county jails. All of the Five Keys curriculum and instruction are geared toward helping students successfully transition to postsecondary education, job training opportunities, and successful job searches.
