## 2023-24 Local Assessment Policy

- WIOA II agencies are required to develop a Local Assessment Policy, and update it at the start of each PY.
- The Local Assessment Policy documents agency level policies and responsibilities related to testing.
- CDE reviews these at FPM's. ***There is now a new signature line that requires each agency to sign off on required assessment training.***

Assessment Policy Guidelines

# CDE Update (9)

## ITIN Numbers

- **Individualized Taxpayer ID Numbers (ITINs)** are now authorized for the California EDD data match, effective July 1, 2023.
- Students that provide ITIN in TE are exempt from the Employment & Earnings Survey, just like the ones that provide SSN.

# CDE Update (10)

## CDE Course Approval System

- The updated CDE Course Approval System (formerly A-22) is now available on the OTAN Website.
- Course Outlines for all classes shall be available for review at the adult school or the district office (5 CCR 10508).
- The new system aligns to the CDE CTE Industry Sector Pathways, and should improve tracking for IET/IELCE
- There was a CDE/OTAN Training on August 10 that covered these updates, with the recording on the OTAN Website.

# CDE Update (11)

## CDE Course Approval System

To meet optimum standards, course outlines should contain:

- Goals and purposes
- Performance objectives or competencies
- Instructional strategies
- Units of study, with approximate hours allotted for each
- Evaluation procedures
- Clear requirements for established goals and objectives

# Network Discussion Topics (5): Students with Learning Disabilities

- Serving students with learning disabilities has come up in various sources as an increasingly urgent topic.
- Has this been an issue of concern at your agency? If so, what created the concern? If so, how has this issue affected staff and students at your agency?
- Are there specific student developments that contributed to this increased need? Do you think there are more students with learning disabilities than before? More awareness from the student and your agency about learning disabilities?
