

Parent Education: Strengthening Families in MPUSD

The Why

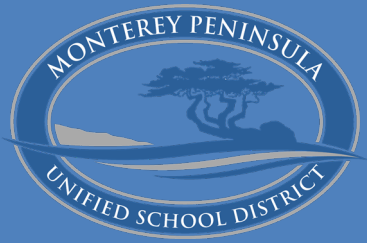

The Practice

MAS created a hybrid program to support district families with developing English skills, strengthening parenting skills while also helping families navigate their children's school and their community.

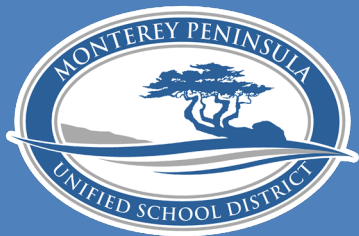

Adult Education Funding Resources

The Monterey Adult School reports to and benefits from the ongoing support and vision of MPUSD.

However, the Monterey Adult School is funded by two main grants:

- **California Adult Education Program (CAEP)**-Annual allocation from the California Department of Education (70%)
- **Workforce Innovation and Opportunity Act (WIOA) Title II: Adult Education Family Literacy Act (AEFLA)**-Federal Grant (20-30%)

The Priorities

MAS is committed to an “**asset orientation**” to **Parent Education** which must be **engaging and inclusive**.

Families will:

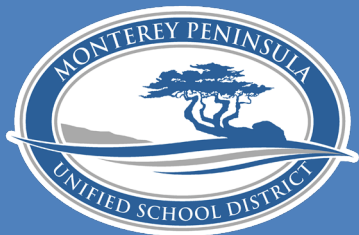

- Experience **respect and value for current knowledge and skills**
- Engage in a **safe place to play and engage** with their children
- **Develop parenting strategies** in a welcoming environment under the guidance of a Parent Educator
- Develop **skills to navigate the complexities of school** and communicating with school staff
- **Build community** for shared experiences and learning

Parent Education and Family Literacy

Supporting **Families** with Parent Education layered with English Language Skills in the following programs:

- **Play and Learn** with Embedded English
- **ESL Satellite Classes** at Elementary Schools
- Expanding **Parent Education** Course Offerings

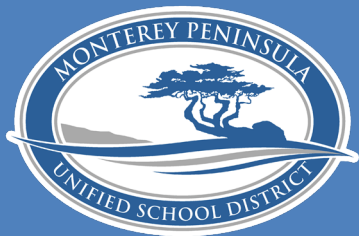

The How

Parent Ed and ESL Teachers collaborated to:

- Develop **English Lessons** are focused on **practical life and language skills for families.**
- Create **access to Burlington English (online ESL)** for students to engage from home.
- Align **ESL Lesson and Support:** ESL Teacher plans mini 30 minute lessons around the Life and Language unit and basic skills. Parent Ed Teacher supports lesson throughout the week at circle time.

The Strengthening Families: Parent Education with Embedded ESL program was recognized as a **“Promising Practice”** from the California Department of Education in Spring 2025.
