### INCREASING ATTENDANCE & PERSISTENCE

By uplifting our Student Learner Outcomes through accountability, culture & climate.

#### Eagle Card Program

Students earn EAGLE cards for achieving specific goals in their program to "cash in" for school swag.

#### Build Our Eagle

In the main area of our campus is a large canvas with hundreds of hands representing eagle feathers that display the achievements of our students across programs to meet their goals. The eagle is built throughout the year, one "feather" at a time.

#### Edna the Eagle

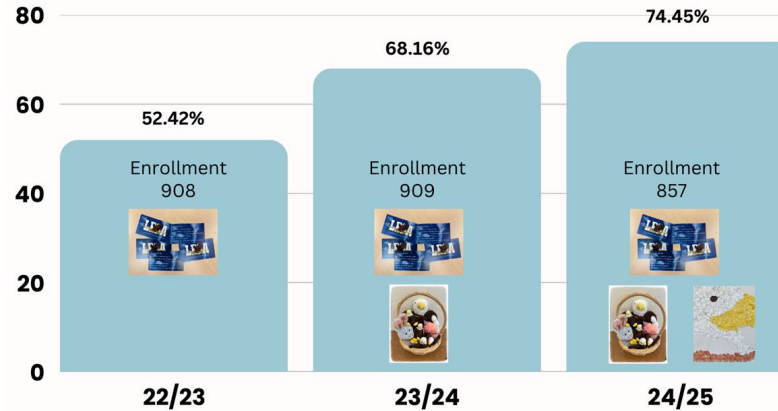

During the school year, staff pass to each other Edna the Eagle and her Eaglettes to honor the work their colleague is doing at LBSA. Edna and her family are presented publicly along with a personalized framed certificate. Staff display their certificate in their classroom/office and foster Edna and her family until it's time to pass along the praise. In the main area of our campus a bulletin board displays the recipients for the school year.
