

## Firewall Configuration Guidelines

These are common configuration steps for granting firewall permission to CASAS eTests. Many agencies will not need these instructions; however, we are providing them for your Information Technology Department. Corrections facilities may have specifications that exceed these guidelines; therefore, they should contact CASAS Tech Support for assistance.

- Email: [techsupport@casas.org](mailto:techsupport@casas.org)
- Phone: 1-858-292-2900 or 1-800-255-1036, option 2
- Available: 6 a.m. to 5 p.m. (Pacific), M – F

### 1. All our applications are running under SSL, only HTTPS is required:

Https (443)

### 2. For all users using eTests/TE/RHAS Training server/the eTests Sampler::

IP address: 107.23.59.203

Domain: eTestsOnline.org

IP address: 54.208.161.49

Domain: eCasas.org

### 3. For all users using the portal:

IP address: 54.85.82.63

Domain: tePortal.org

### 4. For all users using NEDP:

IP address: 54.84.2.188

Domain: online.nedp.org

Domain: mynedp.org

IP address: 34.199.3.38

Domain: training.nedp.org

### 5. For CA users using eTests/TE:

IP address: 52.5.83.136

Domain: ca.eTestsOnline.org

**6. For LARAEC users using eTests/TE:**

IP address: 54.209.105.227

Domain: laraec.eTestsOnline.org
