

Steps to Retrieve Test Results in eTests

From the Test Results Menu

Use the **Test Results** menu to retrieve results for all tests on a given day or specified date range.

Step	Screen	Description
1.		- From the Menu bar at left, - Click Test Results.
2.		- Click the Filter down-arrow to expand filtering options. - For results from all testing in the previous month, enter Test Date Between – - The <u>first day</u> of the previous month. <u>One day after</u> the last day of the previous month.
3.		- To retrieve results, - Click Refresh at top right.
4.		Use Column Filters to refine filtered results.
5.		Click Export to CSV at top right to save results to a spreadsheet.
