TOPS pro

Instructions for Accessing TOPSpro Tutorial

1. Install a Tutorial version of TOPSpro.

2. Install the Tutorial version of the software in a different folder than your regular installation. TOPS will default to a Tutorial folder; change the destination only if the default is not where you want to install.

Destination Folder	
C:\\CASAS\Visual TOPSpro - Tutorial	Browse

3. Install all the components so you can follow the tutorial exercises.

Components		
Installation and Setup	3727 K	•
🗸 Quick Start Tutorial	148474 K	
Report Documentation	48355 K 🛛 .	
Query Maker Documentation	7284 K	
✔ Sample Data Sets	6412 K	-

- 4. Complete the remainder of the installation wizard.
- 5. Launch the tutorial installation.
- 6. From the main menu click Help, and select Quick Start Tutorial.
- Find the tutorial icon on your desktop. Open the Quick Start Tutorial chapter of your choosing. Each chapter is available in Word or Acrobat PDF format. A good place to start is with the table of contents.
